MOTOR MOJ PROPOSALS

Watershed Claims Services Ltd are able to offer a high quality, fast turnaround service, solving problems associated with the reporting of motor MOJ cases through the portal.

Our experienced motor liability investigators have the ability to contact your policyholder and obtain information regarding the circumstances of a collision, reporting back to you within the portal time limits.

- We are currently operating high success rates in solving portal cases and reporting back to insurers.

The experience of our staff allows Watershed to maintain focus on Fraud, Liability and Quantum, whilst still meeting the portal deadline.

Our dedicated quality control processes ensure that you can be confident in the right liability opinion at an early stage.

- 98%* success in reporting before the portal deadline
* 25% of cases provided with under 6 days to investigate
- Experienced motor liability investigators
- Confident and reliable liability decision making
- Comprehensive, concise reports presenting all the evidence
- Cost effective reporting

We offer a tiered service:

- None reported cases, where you simply need to make contact
- Solving the problem of liability on none reported cases, with detailed findings
- Obtaining detailed statements and visiting collision locus on no liability cases.
