

SPECIALIST ADJUSTERS

Products Liability
Professional Indemnity
Construction Liability
Environmental Liability/Pollution

These categories of claims produce some of the costliest, litigious, and most complex of losses.

Our experienced team are dedicated to providing our clients with a proactive, thorough and professional response.

We have the knowledge and ability to deal with the issues that can arise in respect of these particular claims:

- liability (both in contract and tort)
- causation
- foreseeability
- policy liability

Our service meets the technical demands of these types of losses, whilst dealing professionally and sensitively with the parties concerned in the dispute. Our claims handling and investigation experience encompasses a wide variety of professions and industries, including incidents involving multiple claimants.

To find out more about how our professional team can provide the expert handling required in connection with these categories of claim, please contact:
