

SPECIALIST ADJUSTERS

Recovery Service

Recovery of outlay following the allegedly negligent act of another is not always as straightforward as perhaps it ought to be. Our specialised Recovery Unit has the technical expertise and determination to rigorously pursue such recoveries on behalf of our clients.

Our excellent track record in successful recoveries of outlay is due to a professional approach involving the regular review of individual cases, with appropriate action being taken to prevent unnecessary delay in settlement.

Where necessary, we will pursue matters in litigation, instructing solicitors agreed with the individual customer.

If you are experiencing problems recovering outlay, or your rate of recovery too slow, our specialists can offer a wealth of experience to focus attention on achieving optimum recovery amounts in a timely manner, resulting in greater profitability for you.

To find out how Watershed can help improve your recovery rates, please contact:
